

Donald Trump Never Told Any Rally Audience to "Fight like Hell" Except on Jan. 6

Democrats at the on-going second impeachment of Donald Trump repeatedly pointed out that Trump told his audience to "Fight like Hell", thus proving that he incited the subsequent siege on the US Capitol.

Trump's impeachment defense lawyers countered that Democrats often use the term "fight" or even "Fight like Hell!", with non-stop videos of these phrases being spoken at their rallies.

But a Say The Obvious analysis shows that what Donald Trump did was quite the opposite.

Donald Trump gave a total of 64 rallies during his 2020 election campaign and after the election. The link "Rev Transcript of All 64 of Donald Trump's 2020 Campaign and Post-Election Rallies" on our home page takes you to an 878-page document containing a transcript of all 64 rallies, as provided by rev.com. The list of all Trump and Trump officials recorded public appearances during that time period, with links to their transcripts, begins at <https://www.rev.com/blog/transcript-category/donald-trump-transcripts>.

A simple ctrl F (Windows) search will show that Trump used that phrase at three rallies, but at only one of them - the infamous Jan. 6, 2021 occupation of the US Capitol building - did Trump tell his audience to "Fight like Hell". And that's exactly what they did.

Donald Trump: (01:11:44)

Our brightest days are before us, our greatest achievements still wait. I think one of our great achievements will be election security because we came along, had any idea how corrupt our elections were. And again, most people would stand there at 9:00 in the evening and say, "I want to win much," and they go off to some other life, but I said, "Something's wrong here. Something's really wrong. Can't have happened." And we fight. We **fight like Hell** and if you don't **fight like Hell**, you're not going to have a country anymore.

Donald Trump Rally Speech Transcript Dalton, Georgia: Senate Runoff Election

I have to tell you that the stakes of this election could not be higher. You vote tomorrow. You want to go out tomorrow. People want to go out to do the ballot thing. Don't want to do it unless it's the other side, in which case they just print them out. They don't want to do it. They want to go and make sure your vote is counted. Make sure they don't let you say, "I'm sorry. Somebody else has already voted for you." Your vote tomorrow which party controls the United States Senate. The radical Democrats are trying to capture Georgia's Senate seats so they can wield unchecked, uncontrolled, absolute power over every aspect of your lives. If the liberal Democrats take the Senate and the White House... And they're not taking this White House. We're going to **fight like hell**. I'll tell you right now.

he's a big builder in Iraq. How did that happen? How did he get to Iraq? He hasn't built anything. How'd you get to Iraq to build big development brother? He makes Hillary Clinton, I call her Crooked Hillary as you possibly have heard, look like amateur hour.

I also authorized millions of... I don't think they like me too much. I also authorized millions of dollars to save Michigan's incredible, beautiful, vital, but falling apart, Sioux Locks and fought over. And I had to **fight like hell** with the Democrats to get it done. And we got \$900 million for the Great Lakes Restoration Initiative. All done. It's all done.
